July 22<sup>nd</sup>, 2004

We just wanted to take a couple minutes to let you know that we are very pleased with the consulting resources provided to us by Bellsoft, Inc. We have been able to complete successfully – and smoothly – several projects with the help of your resources.

Working with Bellsoft, Inc. has been a positive experience and Barilla America will seriously consider working with Bellsoft, Inc. again the next time we need outside resources to supplement our internal staff.

Sincerely,
