Dear Ted:

I would like to take this opportunity to thank you for all the help and support you and your staff at Bellsoft have given us in finding professional and competent J.D. Edwards OneWorld consultants over the past 18 months. Each applicant you have provided us has displayed that they are very knowledgeable in the areas we have requested.

You were also very responsive in finding a replacement for the consultant that had to leave due to a family emergency. I was very impressed how fast you were able to find and have on site a replacement for her.

Sincerely,

John S. Byrnes
